NIIST, CSIR-Tech sign pact

Special Correspondent

The National Institute for Interdisciplinary Science and Technology (NIIST) , a constituent laboratory of the Council for Scientific and Industrial Research (CSIR) here, has entered into an agreement with CSIR-Tech, a private limited company, for commercialisation of the technologies developed by scientists at the institute. The agreement was signed here on Tuesday by M.M. Sreekumar, Head, Business Development, CSIR- NIIST and Amitabh Shrivastava, CEO, CSIR-Tech.
