

Display of CSIR Innovations in Odisha MSME Trade Fair 2017

Tuesday, March 07, 2017

Report by Odisha Diary bureau, Bhubaneswar: "CSIR-IMMT Bhubaneswar is consistently contributing its scientific research and technological knowledge to boost entrepreneurship driven growth of industrial clusters that enables our young engineers and scientists to find a role in Government's Mission programmes like 'Start-up India', 'Make in India' and 'Swachh Bharat' etc.

Today, we are the first choice of many mineral based industries, because we have been trying to develop a niche market for products and processes with value addition to minerals and material resources" said Prof. Barada Kanta Mishra, Director, CSIR-Institute of Minerals & Materials Technology (IMMT), Bhubaneswar. He was addressing the Seminar on 'Developing MSME Sector in Odisha' organized today by the MSME Department, Govt. of Odisha at Exhibition Ground here.

The Micro, Small & Medium Enterprises (MSME) Department is organizing the 'Odisha MSME Trade Fair 2017' from 5th March in a bid to promote the MSME sector and encourage innovations, start ups and entrepreneurship among youth towards maximising avenues for their employment.

CSIR-IMMT Bhubaneswar has facilitated setting up 9 exhibition stalls in the 6-day fair with participation from various R&D institutes working under the umbrella of Council of Scientific & Industrial Research (CSIR) across the country. They are facilitating to showcase their innovations on food processing, agro-processing & herbal formulations, water & sanitation, waste management, building materials and renewable energy sectors.

"CSIR-IMMT has expertise in conducting basic research and technology oriented programs on a wide range of subjects to ensure a sustainable growth of the mining, mineral and metals industries. For the last one decade, main thrust of R&D at CSIR-IMMT has been to empower the Indian industries to meet the challenges of globalization by providing advanced and zero waste process know-how and consultancy services for commercial exploitation of natural resources through the PPP approach" mentioned Mr. Santosh Kumar Mishra, Chief Scientist, CSIR-IMMT Bhubaneswar.

Apart from CSIR- IMMT Bhubaneswar, CSIR-CBRI, Roorkee, CSIR-NEIST, Jorhat, CSIR-CIMAP, Lucknow, CSIR-NIIST, Thiruvananthapuram, CSIR-IIIM, Jammu, CSIR-CFTRI, Mysore, CSIR-NBRI, Lucknow and CSIR-NAL, Bangalore are participating in the event to display their technologies for MSME sector.
